

# KÄSSÄfestarit

Kaapelitehdas, Helsinki  
10.-11.5.2019

**Dear Sir / Madam,**

I'm happy to invite you to the most inspiring DIY event of the year 2019 in Finland: Kässäfestarit! It is a new kind of an event for handicrafters; totally functional and full of creativity. The primary purpose is to give visitors the chance to experience the joy of doing something yourself. Further, it intends to generate new ideas, inspiration and good feelings, not so much to sell finished products. It may be the start of a new hobby to many visitors!

The event will be open to the public on Friday and Saturday 10-11 May 2019, on both days at 12:00-20:00 o'clock. The construction time for vendors will start on Thursday 9 May at 14:00 o'clock.

The location of the event is the Cable Factory's Merikaapeli Hall, Tallberginkatu 1, Helsinki (<https://www.kaapelitehdas.fi/en>). It is very easily approached from all directions by metro or buses.

On site, there will be workshops, make&takes and demos by bloggers, collaborators and exhibitors. Not to forget selling materials and accessories. In addition, there will be presentations and lectures on stage. In that way one can get more visibility and raise sales.

Booths:

2 x 2 m: 168 €

2 x 3 m: 252 €

2 x 4 m: 336 €

3 x 3 m: 378 €

3 x 4 m: 504 €

3 x 5 m: 630 €

Electricity is included in the price, but otherwise the booth is "empty". You may bring your own tables and shelves or another option is to rent them on site (prebooking is essential). For all prices please contact me.

All vendors get free marketing and visibility on Facebook and other social media. There will be a list of all exhibitors, on which you get your logo listed for free. However, bigger web page advertisements are subject to a charge. For your breaks, it is possible to have a reliable person to fill-in for free, please book in advance.

Booth bookings can be done right away. Please let me know the size of the booth you want to have and if you have a workshop / make&take / demo and its theme.

Should you have additional questions on anything, please send an email to [mira@amalia.fi](mailto:mira@amalia.fi).

Yours faithfully,

Mira Ekonen
